

RIA GUPTA

Entrepreneur & Research-Informed Practitioner | Founder of Manifestology and WishTune

New Delhi, India | rriiaagupta@gmail.com

SUMMARY

Psychology graduate and contemplative-practice innovator studying how rhythmic entrainment, emotional design, and narrative frameworks influence self-regulation and inner development. Founder of Manifestology and WishTune, where I design tools integrating reflective journaling, spiritual practice, and cognitive-attentional mechanisms. Experienced in translating behavioral-science concepts into accessible practices that support emotional well-being, meaning-making, and spiritual growth across diverse communities.

EDUCATION

- **University of Waterloo - Honours B.A. Business & Psychology, Minor in Entrepreneurship & Technology (May 2024)**
Dean’s Honours • President’s Scholarship • Relevant coursework: Cognitive Psychology, Research Methods, Statistics for Psychology, Cognitive Neuroscience
- **Sanskriti School, New Delhi (March 2020)** - Excellence in Academics Award

PROFESSIONAL EXPERIENCE

WishTune | Founder & Chief Executive Officer

2025 – Present

- Designing cognitive–audio conditioning tools applying rhythmic entrainment, affective cues, and attentional gating to support emotion regulation and readiness for learning
- Developed and iterated prototypes informed by user reflection, journaling responses, and behavioral feedback cycles
- Preparing large-scale testing and refinement of spiritually integrated audio interventions
- Provisional Patent Filed (Dec 2025): "A system and a method for producing subconscious and frequency embedded music"
- Scheduled Speaker, TEDx New Delhi 2025: “Sound, Emotion, and Readiness for Learning”

Manifestology | Founder & Transformational Design Coach

2024 – Present

- Coached 100+ learners using structured contemplative practices, cognitive reframing, and behavior-change tools
- Designed self-guided programs including the Breaking Free Journal and Shift • Align • Thrive 21-Day Course integrating spiritual practice and reflective inquiry
- Produced 200+ educational pieces translating neuroscience, spirituality, and psychology into accessible inner-work frameworks
- Speaker, BNI Conference 2025 — “Emotional Design & Habit Formation”

Oxxy Healthcare India | Strategic Lead (till 2021); Chief Marketing Officer

2017 – Present

- Led behavioral-change communication strategies improving preventive health awareness across underserved communities
- Directed Swastha Bharat Movement outreach, coordinating 100+ free health camps promoting health agency and community well-being
- Built partnerships with hospitals and labs to increase access to equitable health services nationwide

PROFESSIONAL EXPERIENCE

Capture My Hippo (Canada) | Chief Marketing Officer & Equity Partner

2021 – 2022

- Led user-engagement strategy for a social-memory platform focused on narrative identity and meaning-making
- Applied behavioral insights to design storytelling prompts and improve emotional engagement
- Promoted to Chief Marketing Officer and awarded 10% equity for sustained impact

TeacherUp & MyCoachingTree (Texas) | Digital Marketing Specialist

2022 – 2023

- Collaborated with U.S. sports-education leaders to refine coach–student interactions grounded in motivational and behavioral principles
- Directed branding and learner-engagement strategy for an EdTech platform supporting personalized academic mentorship
- Conducted competitor analysis and implemented HubSpot systems to enhance communication and student support pathways

Staria Education | Founder & CEO

2018 – 2020

- Built partnerships with 1,000+ institutions to support informed decision-making for students navigating high-stress admission processes
- Designed and launched website and app with developers; featured in 60+ national publications (Times of India, Economic Times, Business Standard)

MEDIA & SPEAKING HIGHLIGHTS

- TEDx New Delhi 2025 (Scheduled): “Sound, Emotion, and Readiness for Learning”
- BNI Conference Speaker (2025): Emotional Design & Habit Formation
- Featured in national media (Times of India, Economic Times, NDTV 24×7)
- **National media coverage following WishTune’s patent filing (Dec 2025)**

EARLIER EXPERIENCE & COMMUNITY WORK

- **KPMG India (Intern 2021):** Researched industry insights, authored 13 articles, contributed to presentations for senior leadership
- **Volunteer — Swechha, TERI, Light Up Foundation:** 120+ hours teaching arts-based learning and supporting under-resourced students
- **Art Exhibitions:** Works showcased in two curated New Delhi gallery exhibits
